Double Check

- Compare your scoresheet to the Libero Tracking Sheet to make sure they are the same, with numbers listed in serving order.

	I	1

REMEMBER
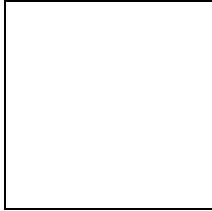

- If a team has <u>not</u> written down a libero number on their lineup sheet, they will <u>not</u> have a libero for that set.

- **NO LIBERO LISTED = NO LIBERO**

- They may still have one for another set – but only if they write down a libero number on the lineup for that set.

First Server

- Madison scores two points (points 1 and 2) on #2's serve then they lose the rally
- The loss of rally sign looks like this

SCORING IS DEMANDING

- Scoring correctly is very demanding and will take all of your concentration.

- It is particularly important that you have an accurate scoresheet that contains all of the necessary information.

- Try to be quick and efficient, but don't hesitate to tell your R2 if you need something explained or need more time.

TRY TO BE NEAT

- The scoresheet will start to get crowded with numbers and squares and triangles

- The scoresheet will get more crowded with substitutions and time-outs

- TRY TO BE NEAT

- IT IS BETTER TO TAKE YOUR TIME AND TELL THE R2 YOU ARE NOT READY YET, THAN TO BE SLOPPY

- Madison scores one point (point 6) on Adams #42's serve (put this in a box)
- Madison substitutes #58 for #6

REMEMBER

- Mark the scoresheet in three (3) places for every substitution:
  - 1 - player number (add the new number)
  - 2 - box score (put S or Sx and player numbers)
  - 3 - substitutions (put a hash mark)

- Adams loses the rally
- Madison scores one point (point 9) on Adams #5's serve (put this in a box)
- Madison's libero (#23) replaces #8 (not a substitution) to serve.
- Put a triangle around serving position 4 to show this is the only place the libero can serve.
- Adams substitutes #30 for #7 (Sx)

ASK IF YOU NEED TO

- Ask the R2 "What just happened?" if you don't know.

- Don't *ever* guess what happened

- If the R2 doesn't explain what happened and there is a serve, make sure you find out what happened at the next dead ball.

- You <u>MUST</u> know what's going on all the time.

REMEMBER

- Anything that happens during a player's term of service is marked in the boxes following <u>that</u> player's number – *even if it is something the other team does*.
  - Substitutions (Sx and the player's numbers)
  - Timeouts   (Tx)
  - Penalties   (P and the player's number)

REMEMBER

- You are the OFFICIAL scorer
- You are part of the officiating team with the R1 and R2
- **<u>Your</u> score is the correct score!**
- So…
- Always do your best and
- Ask the R2 for help if you need it.

AND ANOTHER THING…

- For Set #2 and later, teams are listed on the same side of the scoresheet as the side of the court they are on.

- When the libero goes back to serve and doesn't leave the court there must be a double replacement of other players. This is *not* a substitution and you don't have to mark anything unless the replacement player has never been in the game before. **Tell that to the R2.**
